

**Description**

This board adapts between an TSSOP-16 or TSSOP-14 component and standard 0.1" pitch holes which can accommodate many standard connectors.

**Technical Info**

**Component**

Component Footprint : TSSOP-16

**Connector**

Hole Pitch : 2.54mm (0.1")

**PCB**

PCB Thickness : nominal 1.6mm (63 mils)

PCB Material : FR4

PCB Finish : 35um ENIG (Gold Surface)
