

Description

This board adapts between a FPC connector and standard 0.1" pitch holes which can accommodate many standard connectors.

Technical Info

Component

Component Footprint :
Horizontal SMD FPC connector.
30 Circuits, 0.50mm Pitch.

Recommended component:
Molex 52435 series.

Connector

Hole Pitch : 2.54mm (0.1")

PCB

PCB Thickness : nominal 1.6mm (63 mils)
PCB Material : FR4
PCB Finish : 35um ENIG (Gold Surface)
