

Description

This board adapts between a SOT-223-5 component and standard 0.1" pitch holes which can accommodate many standard connectors.

Technical Info

Component

Component Footprint : SOT-223-5

Connector

Hole Pitch : 2.54mm (0.1")

PCB

PCB Thickness : nominal 1.6mm (63 mils)

PCB Material : FR4

PCB Finish : 35um ENIG (Gold Surface)
